Boot drive for MD

Members of the Belle Glade Fire Department are planning a boot drive to raise money for Muscular Dystrophy research.

This is the second year the fire department has sponsored the drive. Last year, firefighters raised $685, according to Firefighter Vince Taylor, who said they hope to exceed that amount this year.

The men will be asking for donations at Winn Dixie on South Main Street at at U-Save on Avenue E on September 3 through September 6.

Citizens can also drop off pledges at the Belle Glade Chamber of Commerce on South Main Street on Sunday, September 4 from 7 p.m. to 9 p.m. or on Monday from 8 a.m. to 7 p.m.

Hunter education course offered

Did you know...you can learn how to safely handle a firearm absolutely free of charge? The Florida Game and Fresh Water Fish Commission's Hunter Education Program is being offered at the Belle Glade Pistol Range, 1000 N.W. 20th Street, Belle Glade on September 18 & 19 from 9 a.m. to 5 p.m. Attendance is required on both dates to finish the course.

During the course, participants will learn about protecting the environment and how wildlife populations are managed. For those who enjoy the outdoors, the first aid and survival training will be helpful. And for the hunter, there are many vital subjects, such as laws, outdoor ethics, and wildlife identification.

Pre-registration is required, so call the Game and Fresh Water Fish Commission at 407-640-6100 to register.

Lakefront Legacy is September 18

Hundreds of people from all around South Florida are expected to participate in the Lakefront Legacy Arts Festival, scheduled for Saturday, September 18 at Palm Beach Community College, Glades Campus.

Featuring arts and crafts, entertainment, hands-on activities, storytelling, art exhibits, a photography contest and writing competitions, the festival will begin at 10 a.m. and continue until 4 p.m. Ethnic foods will be sold by local civic and church groups and for a small charge, children can participate in some activities. Also, those who attend the Writer's Invitational will pay a small admission fee.

For more information call the college at 996-3055.

Troop forming

There will be an organizational meeting for a new Boy Scout Troop forming in Pahokee at the First United Methodist Church. The troop needs a scout master. For more information call Kay Zaccanino at 924-5077 or Rob Green at 844-0279.

Human bones found in Holey Land

By Brenda Bunting
SUN Editor

Human skeletal remain were found by hunters in the Holey Land Wildlife Refuge Management Area last Saturday evening.

Palm Beach County Sheriff's Office officials were called about 6 p.m. by the Florida Game and Fresh Water Fish Commission.

They said the bones were found approximately 16 miles west of U.S. 27 on the Broward County line.

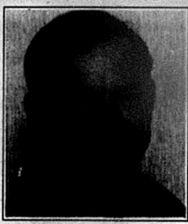

Sgt. John Russ with the Sheriff's Office said the bones appeared to have been there for some time and some of them were missing, but until tests could be done, they could not determine if the remains are those of a man or woman, black or white. The remains were taken to the Palm Beach County Medical Examiner's Office.

Sgt. Russ said there is no indication of foul play and no further information is available until forensic tests can be made.

Your tax dollars at work... Several streets in Belle Glade were being repaved last week by Community Asphalt of West Palm Beach. El Prado and Ranchero Roads were finished on Thursday. Shown running the Caterpillar is Wayne Bolin. Tim Allen with Community Asphalt and Belle Glade's Sign Maintenance man, Joe Villanueva (far right) look on.

New manager at Dolly Hand anxious to learn what people want

The new manager at the Dolly Hand Cultural Arts Center says theater should "enrich the soul" and plans to ask citizens what they would like to see at the center.

John Robinson has taken over the job vacated by Monika Potter, who was the theater manager for two years.

Mr. Robinson said the Glades are not unfamiliar to him. He was a visitor here over 30 years ago.

"I was curious when I saw the ad for the job in a national journal I subscribe to," he said. "I sang at the wedding of Mary Bell Schlecter and Henry Ruffalo in Belle Glade in 1959," he said.

Originally from Ada, Michigan, Mr. Robinson grew up in Dearborn, Michigan. He has traveled and lived in nine states, he said, and has a wealth of theater experience.

He has a Bachelor of Arts degree from the University of Miami in Coral Gables and a degree in theater and psychology. He received his Master of Fine Arts Degree from the University of Wisconsin in directing and has directed plays, orchestras, booked and arranged acts as well as performed as an actor himself.

He as directed abut 100 shows, choreographed about 12 musicals or more and worked in summer stock.

"I'm anxious to learn what people here would like to see," he said. "And I would like to involve the community more in the cultural theater. There is more to the arts than sitting in a seat," he added.

The annual Living Christmas Tree performance is one example of what Mr. Robinson sees as good community involvement. "That's just the surface of what could be done," he noted.

Although he's only been in the Glades a couple of weeks, Mr. Robinson said he feels at home. "I'm a fan of small towns and everyone here has been so helpful. There's a sense of family here," he said. "People have been calling me ever since I got to town to welcome me."

The fall series at the Center starts September 14 at 8 p.m. with an evening of hits from the music of Andrew Lloyd Webber.

Pahokee man found shot to death; suspect arrested

David Ranieri
Staff Reporter

A Pahokee man was found shot to death Saturday morning.

Shawn Boston, 23, of 58 Glades Drive was found lying in the driveway in front of 332 Salvatore Court, Fremd Village. Boston died from a single gun shot wound to the side that resulted in massive damages to his internal organs.

Anthony Anderson, 20, of 332 Salvatore Court was arrested at 3:15 a.m. after confessing to shooting Boston. Boston and Anderson had become involved in a verbal altercation inside the residence at 332 Salvatore Court before the shooting occurred, according to police.

Sheriff's detectives conducted a search of a canal adjacent to Fremd Village near the homicide scene.

Police believe Anderson threw a .357 revolver into the canal after the shooting. But it has yet to be determined if the recovered gun was the murder weapon until ballistics tests are done. The shooting may have been gang related, according to police.

Anderson is being held with no bond on first degree murder charges.

Pahokee takes look at deficit

David Ranieri
Staff Reporter

City commissioners are faced with the dilemma of resolving Pahokee's deficit.

"We have to start trimming the fat," said Mayor Horta.

Commissioners were forced to take a long hard look at the city's proposed $97,076 deficit Tuesday evening at the budget workshop meeting.

The major question in resolving the debt is where to make cuts.

The commission wants to buy two police cars. But in order to reduce the deficit they are considering buying one car and having the other car financed through the confiscated property fund plus and additional 1% millage increase. Commissioners John Norman and Keith Babb said they would waive their health insurance through the city because they are already covered.

The commission is also considering raising employees pay by 3% and include a new 2% performance incentive. The city's employee performance would be evaluated by the department head and if the employee received the performance incentive it would be in one lump sum.

This proposed idea was met with mixed views from commission members.

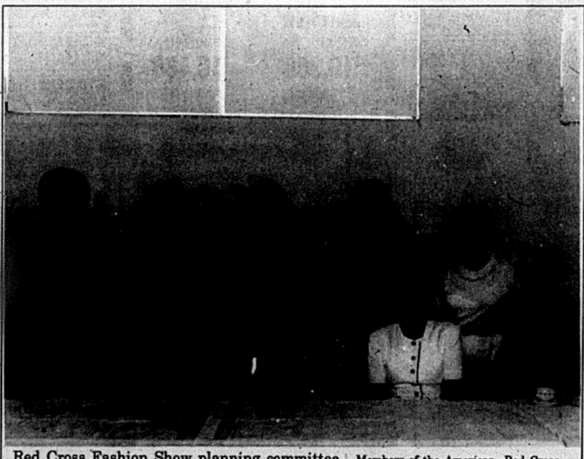

"I think the guy that works hard deserves a raise and the guy who sits around doesn't deserve anything," said Commissioner Norman.

Commissioner John Singletary was skeptical of the idea, citing possible problems that may be caused by favoritism.

The city will receive $80,000 from the sale of garbage trucks since Pahokee will have an independent company taking over trash and garbage pickup and an estimated $100,000 in revenue to fix streets from the 6% gas tax.

The Commission will meet again on Thursday to discuss the budget.

The city has also received approval from the Corp of Engineers to expand the campground.

Red Cross Fashion Show planning committee... Members of the American Red Cross Luncheon Fashion Show committee are busy planning for the fundraiser planned for November 6 at the Elks Lodge in Belle Glade. Shown seated, from left are Judy Sanchez, Sharon Teets, Nataleah Nachman, Liska Hooker and Mary Orsenigo. Standing, from left, are Dolly Hand, Jane Parrish, Jeannette Dexter, Sue Teets, and Anne Hopkins. Last year, the event was one of the highlights of the social season. Organizers are planning another spectacular event for this year.

Red Cross Luncheon Fashion Show

It's a red hot ticket

It's the hottest ticket in town and it won't even go on sale until October 1. Seating is limited due to space, and some people have already tried to reserve a spot.

No, it isn't Frank Sinatra, it isn't the Florida-Florida State Game, and it isn't Michael Jackson.

What event generates so much excitement? The American Red Cross is bringing Saks Fifth Avenue - Palm Beach back to the Glades for its second annual luncheon fashion show. Set for November 6 at the Elks Lodge, this unique fundraiser begins with a social hour and cash bar at 11 a.m. The luncheon is at noon.

The fashion show will feature apparel and accessories exclusively from Saks Fifth Avenue - Palm Beach, modeled by local Glades residents. An added attraction this year is a silent auction planned for the social hour. Coordinator Jeannette Dexter says, "This is a very special event for the Glades. Get your ticket early, because we promise the best of everything!"

Assisting Mrs. Dexter are Dolly Hand, Liska Hooker, Mary Orsenigo, Susan Harrelle, Nataleah Nachman, Sharon Teets, Sue Teets, Anne Hopkins, Jane Parrish, and Judy Sanchez.

The $30 tickets will be available October 1. For more information, contact Anne Hopkins at the American Red Cross at 992-9703. All proceeds will go toward renovating and refurbishing the new American Red Cross offices at 224 Main Street in Belle Glade.

Ms. Hopkins, who is the Director of the Glades office of the American Red Cross, said the event last year raised $5,000 for the Glades office. "We hope to double that this time, " she said. "This is our biggest fundraiser of the year."

Last year the event was sold out before the show and Ms. Hopkins said she hopes the luncheon and fashion show will be an ever bigger attraction this year.

Lakefront Legacy Arts Festival is Sept. 18

Something special is going to happen in Belle Glade on September 18 between 10 am and 4 pm. Hundreds of folks from all around South Florida will gather at the Glades Campus of Palm Beach Community College to celebrate the Cultural and historical heritage of the Lake Okeechobee area. This unique celebration includes arts and crafts, entertainment, hands-on art activities, storytelling, art exhibits, a photography contest, and writing competitions. Also, a wide assortment of tasty, ethnic foods will be sold by local civic and church groups. All in all, Lakefront Legacy promises to be an exciting effort to recognize and recall the development of one of Florida's last frontiers. The Lakefront Legacy Arts Festival Committee invites you to join them for a fun-filled day for the whole family!

Sporting event at Pioneer Park

The First Annual Punt, Pass & Kick will be held Thursday, September 9, at the Glades Pioneer Park from 6 pm until 8 pm. Admission is free and kids ages 6 thru 15 may enter. Awards will be given. For more information please contact James H. Coney at 996-8791.

In appreciation...The Belle Glade Private Industriy Council held their furth annual JTPA Alumni Recognition event at the Drawbridge Cafe in Belle Glade recently. School of CHOICE Principal Antoine Russle was given a plaque in honor of his work with PIC by Suyette Hall.

Fish fry

The Pahokee Elks Lodge will have a fish fry on Friday, September 10 starting at 5 p.m.

Proceeds from the event will go to benefit the David Edward's fund. David is the young man from Pahokee who was in a serious car accident three weeks ago.

For more information, call 924-7727.

Gospel group to be at Nazarene Church

The Sunset Gospel Jubilee will perform at the Church of the Nazarene, 480 Bacom Point Road, in Pahokee on Friday, September 3 at 7:30 p.m.

The group conducts monthly sings and is sponsored by the Women's Auxiliary of the Glades Health Care Center in Pahokee.

The sing is open to the public and Pastor Dever invites the community to attend.

Heart Walk set for October 2

Plans are being finalized for the second annual American Heart Association Heart Walk. The event is scheduled for October 2 starting at the Belle Glade Marina Pavilion. The registration begins at 8 a.m. and there will be a pre-walk stretch at 8:15 a.m. The walk begins at 8:30 a.m.

Brochures for the walk are available at the Belle Glade Chamber of Commerce, The Sun newspaper office and many other locations in Belle Glade, Pahokee and South Bay.

Members of the Glades Branch of the American Heart Association urge citizens to join the best walk in town and help fight heart disease. Pledge forms are available at the Belle Glade Chamber of Commerce or by calling Nataleah Nachman at 996-5303.

Blood Bank schedule

The Palm Beach Blood Bank Bloodmobile is stationed in the Lake Okeechobee area at Glades General Hospital at 1201 S. Main St., in Belle Glade from 1 p.m. to 4 p.m. to visit groups and organizations in western Palm Beach County.

The Bloodmobile travels to Everglades Memorial Hospital in Pahokee the first and third Wednesday of every month from 1:30 p.m. to 4:30 p.m. Special arrangements can be made for individuals or groups who wish to donate, but are unable to do so during regular hours.

PIC regognizes graduates of job training program

The Palm Beach County Private Industry Council (PIC) celebrated national JTPA (Job Training Partnership Act) Alumni Week by holed a reception at the Drawbridge Cafe last Friday evening.

County Commissioner Ken Foster recognized those individuals who successfully completed job training by presenting a proclamation to PIC Representative Ken Montgomery.

Mr. Montgomery said many of the individuals who have successfully completed job training the PIC now have rewarding jobs that have allowed them to become self-sufficient in supporting themselves.

The Private Industy Council is a private, non-profit organization that provides eligible Palm Beach Conty residents with free job training, job placement assistance and supportive services. The local office is in Whites' 715 Plaza, Belle Glade.

The Zora Neale Hurston Roof Garden Museum, Inc. expresses thanks to the 1993 AfriCamp program sponsors, who contributed funds for administrative support, in-kind services and participant scholarships. With their support and encouragement the Hurston Musseum has been able to launch a successful year-round literary program for 10 to 15-year-olds in the Glades.

Property taxes

I just got my proposed property taxes. Is a five percent raise all the city's giving? They oughta give them more than that.

My city taxes have nearly doubled, my property taxes went up 16%, but the taxes overall nearly doubled.

They talk about all these experienced city commissioners and county commissioners - all of them need to be out looking for another job, 'cause I wouldn't vote for none of them. They're like a kid in a candy store, spending, spending, spending.

More tax questions

Yes. I'd like to know how much the city commissioners and county commissioners taxes went up? I wonder if they went up like everybody else's taxes did?

Watch the tickets

I want to tell all the people out there who play the lottery to please check their numbers from the computer. I played the lottery Friday night and on one of my panels all the numbers were completely wrong. I didn't even pick them.

It says on the back of your lottery ticket that you are the one responsible for anything happening like that. So, be sure and check your numbers you leave the store. You might be a winner and miss out on it.

Hates football season

Well, it's that time of the year again when husbands become couch potatoes and all anybody talks about is football, football, football.

I for one hate football. I know it's like mom and apple pie to some folks, but I just don't understand what all the noise is about. It's just a bunch of guys banging into each other risking injury in the name of fun.

Let's remember to get out and get a little exercise ourselves and not just be a spectator to sports.

That's all I have to say. Thank you.

Goodbye Emily

I'm sorry for our neighbors to the north but so relieved to see Hurricane Emily by pass us.

I am also surprised but glad to see that people were taking Emily more seriously than they did Hurricane Hugo at first.

I was at the Home Depot store in West Palm Beach and people were buying a lot of plywood, getting ready for the storm. Maybe more of us will be prepared when a bad storm comes. I hate to say it, but I believe we will not be overlooked this season by a major hurricane.

Help!! Lions Park needs new playground equipment

My name is Jennifer A. Onega and I'm two years old. No, obviously I'm not writing this letter myself, but my Mom and Aunt Paula are helping me. I would like to know why Lions Park hasn't gotten any new playground equipment.

I live in the northeast section of town, within walking distance of Lions Park. My two cousins, Justin and Jordan, also like to go to the park, but when we get there, all we do is run around and then get bored quick, because there's nothing for kids my age to play on.

The playground equipment is too old, rundown and a bit dangerous (due to rust) for us to play on.

There's always grown ups walking around the park and playing tennis, but what about us? We don't have anything decent out there to play on.

Can you help us, Mr. Lomax Harrelle? Why is this park passed up on playground equipment?

We have such a nice neighborhood, can't the City help a nice neighborhood be nicer and give us kids new playground equipment?

City Manager Lomax Harrelle responds:

Dear Jennifer:

Thank you for your concern about the playground equipment at Lyons Park. You are right about the park needing new equipment.

I want you to know that the City of Belle Glade is constantly working to upgrade all of its equipment. It is my hope to install new playground equipment at Lyons Park as funding becomes available.

Team studying lightning to prevent damage

GAINESVILLE--- In an experiment reminiscent of Ben Franklin's kite, a team that includes University of Florida scientists is firing rockets into clouds to learn more about how to prevent damage caused by lightning.

Lightning is a major cause of summer power equipment failure in Florida, the lightning center of the United States. Electric utility companies spend millions of dollars to repair damage from thunderstorms, said Martin Uman, a UF electrical engineering professor and one of the world's leading lightning experts.

Learning more about the effects of this little-understood natural phenomenon may eventually lead to the design of more resistant equipment, reducing power outages and saving utility costs, Uman said.

" Lightning causes a great deal of damage, particularly here in Florida, with the corridor between Tampa and Orlando and down the west coast being the lightning capital of the United States," he said. "Not only is the meat in the freezer no longer frozen at the end of a long power outage, but houses can be burned, computers damaged and forest ravaged by fire."

Legend has it that Franklin hung a key on a line of a kite he floated under a thunderstorm. Electricity supposedly came along on the kite line and lit up the key.

In this experiment, the researchers initiate lightning by shooting a rocket in the air trailing a ground wire. Through a chain of events, the stage is set for lightning to flash from a cloud toward the ground.

At Camp Blanding near Starke, Uman and other UF researchers are working with teams of lightning experts from the United States and France to try to learn more about lightning and how it damages power systems.

The primary experiment, supervised by Phil Barker of Power Technologies Inc., is aimed at measuring the voltages and currents that lightning causes on overhead power lines and underground cables. The Schenectady, N.Y., company is taking these measurements at more than 60 locations on the Camp Blanding site under a contract with the Electric Power Research Institute.

A French group, under Andre Ebert-Berrard, is triggering the lightning.

UF researchers are measuring the electric and magnetic fields of the lightning with homemade antenna that are connected by fiber optics to a small trailer on the site.

"Learning more about the shapes and sizes of the fields is necessary to be able to calculate voltages that will appear and could damage power lines," said Uman, whose work is featured in this month's "National Geographic" cover story.

They are also studying other physical characteristics of lightning, including how lightning connects to the ground, he said.

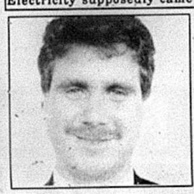

"Understanding the physics of the lightning has a lot of potential practical applications in lightning protection," Uman said. "The problem is getting close to the lighting to make the kind of measurements necessary to study it."

Lightning, which kills about half a dozen people and injures another 30 each year in Florida, is still largely a mystery to scientists, he said.

Scientists know quite a bit about the middle phase of cloud-to-ground lightning, but have little knowledge about how it starts or ends, Uman said.

Not much is known about how lightning starts in the cloud, for example, because it is difficult to photograph or otherwise locate and measure, He said.

"We don't know how the cloud produces the high electric fields that can initiate lightning," Uman said. "At the same time, we don't understand the details of exactly how lightning attaches to the ground, including how it decides what to hit."

Ask Dr. Boltson

Dr. David Boltson is the associate director of the Western Palm Beach County Mental Health Clinic in Belle Glade, and is a licensed psychologist in private practice in Lake Worth.

Can you join together with others and still maintain your individual pride and dignity ?

People nowadays are concerned with the violence of today's youth. I hear folks say that we need to bolster kid's self-esteem. Special programs are set up so that children can learn to feel good about themselves instead of beating other people up. Many of these programs are ethnocentrically exclusive. On the face of it, this would seem to be a noble endeavor.

I ask you readers however, do you feel that separating kids into specially defined subgroups is the best way for them to learn to get along with others? The Sailfish Club in West Palm Beach just lost their right to intracoastal docks for purportedly restricting their memberships from Blacks, Jews, and others. Most of us would decry this practice as obviously racist. Is it any less racist however, to set up programs and declare that Blacks can only learn to feel good about themselves by spending time with Blacks and studying Black issues, and that Jews should only spend time with Jews and learn about Jewish issues, etc.?

Ernest Lefever wrote an excellent column that was printed in the Palm Beach Post on August 10, 1993 that declared: Multi-culturalism will divide us. The new tribalism is clearly racist. Splitting America apart by demanding group privileges threatens our cohesion. A country of hyphenated Americans cannot long endure."

He goes on to say that "Pride and self-respect (must be) earned, not simply asserted or conferred by government edict."

When Americans fail to get along with each other they do so by not asking of themselves whether or not they could have behaved more nobly. They act out of impulse, fear, ignorance, frustration and hatred when they harm their fellow humans. Afterwards, a veritable army of apologists including psychologists, sociologists, defense lawyers, and politicians will take it upon themselves to explain and excuse irresponsible behavior. When Americans do act in more prosocial and harmonious ways, they feel and presume that they are responsible for their own behaviour. Americans seeking to get along better with their fellow humans take it upon themselves to try to understand and appreciate those who may be ethnically or otherwise different from themselves.

I realize that there are many readers and leaders out there who are trying to improve their community who disagree with the position I am espousing. A common rebuttal might be that I would seem to be denying the value of developing individual identity and ethnic/racial pride.

Let me state however, that I believe that the development of an individual identity and pride can and should well prosper in a society that values unity and appreciating your fellow man. I don't believe that as a society, we can have it both ways. I don't think that you can make a point of segmenting our society by providing separate programs for specific subgroups and then claim that this will help us all get along better. Self-esteem programs, and training to develop self-pride are very important for youth. Can't youth of different backgrounds learn positive social values and esteem together?

They need not lose their individual identities in the process. As Golda Meir has said: "Orchestras don't mean the end of violins."

Alvin "Bubba" Davis

Crime Stoppers of Palm Beach County, Inc. is asking for your help in locating Alvin "Bubba" Davis who is wanted for attempted murder, armed robbery and aggravated assault.

Davis's last known address was 500 Orange Drive, Belle Glade. He is 53 years of age, six foot, one inches in height, weighing 215 pounds. He has black hair and brown eyes.

His Social Security number is 267-54-4384. Police say his occupation is unknown. His warrant was active as of August 23.

Police urge you to use caution if you encounter this individual. He is considered dangerous.

If you know the whereabouts of Davis, or anyone involved in a serious crime, call Crime Stoppers at 1-800-458-8477. You do not have to give your name. Remain anonymous and receive a cash award if your tip leads to an arrest or recovery of stolen property.

CRUSADER CORNER

"Life is not always about making money," said Mr. Jack Price. That's one thing Brandi forbes remembered about her Consumer Math class' field trip to Steve Moore Chevrolet last Thursday. The goal of their first visit was to learn how to buy a car. But students returned having learned much more! Mr. Jack Price, General Manager of the of the Chevrolet dealership made quite an impression on students. "I was amazed when I saw all the awards he received in Vietnam. I admire him very much and would like to be like him," said Erin Moya from Clewiston. Mickey Leiva remembered his great Christian attitude and that he spoke a lot to Christ. Marlene Martin remembered his statement, "This country doesn't owe you anything - just an opportunity". Thank you, Mr. Price, for teaching the group of high school students "More than they bargained for!"

The summer months were not all vacation for many of the Crusader athletes. Students attended the University of Florida Basketball Camp and a volleyball camp held in the Crusader gym, conducted by Terri Kaiser. Several boys enjoyed the "Bucky Dent baseball camp in Dent Ray Beach and our cheerleaders attended the United Cheerleaders Association Camp at the University of South Florida in Sarasota. We look forward to seeing our athletes in action!

The Students Council is a vital part of the Crusader spirit! Congratulations to the 1993-94 officers: President- Gus Peavy, Vice-President -Tori Kruse, Secretary- Amy Morris, Treasurer - Jennifer Glass and Chaplain -Mickey Leiva.

We welcome to the Crusader family these new faculty members: Mr. Bill Logsdon, Mr.Tommy Burrus, Mrs. Sharon Wright,Mrs. Sherry Yance, Ms. Dawn Frazier and Mrs. Lola Brewer.

You made it seventh graders! Your first week "across the street" is behind you. Make the days ahead your best. To quote Mr. Price again, "Stay in school, have a good future and look to Christ."

Men on the Serious Side

Winn-Dixie Cares.

The serious destruction that has happened to the Midwest flood victims defies words.

These people are the reason Winn-Dixie is saying Even It Up.
The proceeds of this program will allow the Salvation Army to give relief to the Midwest flood disaster people. The next time you shop at any Winn-Dixie store just ask the cashier to Even Up your total to the next dollar or five dollars. Whatever you wish to donate will be a tremendous help to many of those who so greatly helped us in our time of desperate need in South Florida.

Gator Tales

Welcome to another year of Gator Tales! Once again, we will try to keep you informed of happenings in and around Glades Day School throughout the year.

The halls were buzzing with anticipation and excitement last week as we welcomed 197 new students to our campus. The walls are bulging! In order to accommodate the growth, two new buildings are being added- one to hold all the Glee Club members and another to provide two elementary classrooms.

Along with new students, we have several new faculty members on board for 1993/94. Glades Day extends a warm welcome to the following new teachers: Lamar Landing (high school social studies), Deborah Lewis (high school English), Julianne Loree (band), Victor Slesinger (high school English), Michelle Wilkinson (girls' P.E.), Lori Bakyta (K-5), Vickie Woods (1st grade) and Amy Eastwood (3rd grade).

Now that students are settling down into the academic routine, the Gators are preparing for a busy fall schedule of activities. Congratulations are in order for the 1993 homecoming court: Michelle Alvarez, Marcy Angel, Amie Carter, Stephanie McKinley, Carmen and Valorie York. One of these six lovely young ladies will be crowned queen during the Gator's homecoming game against King's Academy on October 8.

The JV and varsity volleyball teams will have first home game of the season this Thursday, September 2 against American Heritage. The varsity girls are off to a winning start with victories in both of their matches against Clewiston and Pahokee in a jamboree hosted by Pahokee last Friday.

The JV and varsity football teams also begin play this week, with the JV hosting Moore Haven this Thursday at 7 p.m. and the varsity traveling to John Carroll on Saturday, September 4. The varsity boys are also off to a promising start with a 12-0 shut out over Moore Haven in Glades Day's jamboree last Friday.

Gator fans- We have a new line of Gator t-shirts for sale in the high school and elementary offices featuring a Gator imprinted in green and gold on a gray background. All sized are available including extra large.

West County Mental Health Clinic...will hold it's sixth annual "Tee-Off" for kids Saturday, September 25 at the Belle Glade Municiple Golf Course. Golfers who make a hole-in-one on hole seventeen will win a 1994 Ford Taurus courtesy of Glades Ford. Additional hole-in-one and door prizes will be available. Golfers can register at the municiple golf course pro shop by calling 996-6605. Foursomes can enter, but must submit their registration and handicaps by September 22. Registration will begin at 8:30 a.m, with a shot gun start at 9:30 a.m. Proceeds will go to benefit the clinic's mental health services. Pictured, from left are: Joseph Amato - Executive Director, Sue Teets- Chairman, Community Relations Committee and John Gray-Treasurer.

Rosenwald kicks off new school year

The good ship Learn-A-Lot once again set sail for the educational seas. Rosenwald Elementary, home of the Baby Raiders, has hoisted it's sails and is off to the island of High Expectation.

Joining the band of adventures are six new CDA's; Daisy Swain, Dora Lopez, Rosa Marshall-Sledge, Lucinda Cullum, Jeanette Graham and Jacqueline Anderson. Other new crew members include assistant Mary Davis-Rolle who has been on leave to further her education. Judith McInnes joins the staff as the HIPPY Coordinator. Cylenthia Mann is joining the crew as the new office assistant through the Private Industry Council (PIC) Program. Patricia Kujawski will be student teaching under the capable and watchful eye of Josie Boone, 1st grade instructor. Welcome aboard all of you!!

The third and forth grade crew have "really got it going on" as they have joined the ranks of the 5th grade in departmentalization.

Community leader, Audrey Williams, spear headed a group of volunteers to assist with registration and disseminating information to parents. Many thanks to her and the thoughtful group of workers. If you have "any" time to act as a volunteer for the school please contact Ola Barron, Volunteer Coordinator, at 996-4970 to join our volunteer group. You are needed!!

We are extremely excited about the newly instituted After-School Enrichment Program, directed by Marilyn Humphries and her assistant Latangela McCauley.

Parents are urged to purchase uniforms for our little crew members as we kick-off the third season of uniform wear. We were the "first" in the area to implement a uniformed crew. Contact the school for details.

Captain Earlyne R. Harrell and Co-Captain Donna Challancin look forward to high adventures as we embark upon the high seas of learning excursions, this year. You will be hearing many good things from the Best in the west, Rosenwald Elementary.

Teets accepts new position

Rebecca Teets

Rebecca L. Teets has joined South Seas Plantation Resort & Yacht Harbour as the Public Relations Assistant.

In this position, Rebecca is responsible for the production of various newsletters, press releases, and assisting Suzanne Willis, Director of Public Relations, in promoting the Resort.

Ms. Willis said Rebecca brings extensive educational training to the position. She earned her master's degree in integrated marketing communications from Northwestern University, in Evanston, Illinois, where she specialized in corporate public relations. While at Northwestern, she completed her professional residency at the Nutra Sweet Company in the business-to-business division of its marketing communications department.

A former resident of Belle Glade, Rebecca is the daughter of Frank and Sue Teets.

Rebecca graduated from Florida State University in 1991 with a Bachelor of Science in Communications and a minor in marketing.

During her senior year, she worked at the Florida Department of Agriculture in the Division of Marketing. She was active in student chapters of professional organizations such as the Florida Public Relations Association (FPRA) and Women in Communications, Inc. (WICI), and she also found time to devote to the University's student government and Panhellinic organizations. Rebecca is a member of the Southwest Florida Chapter of FPRA. Outside of work, her hobbies include volleyball, traveling, and reading.

Glades Central's - Fred Taylor gains 112 yds. Friday night.

Glades Central wins thriller over Jupiter - Fred Taylor gained 112 yards

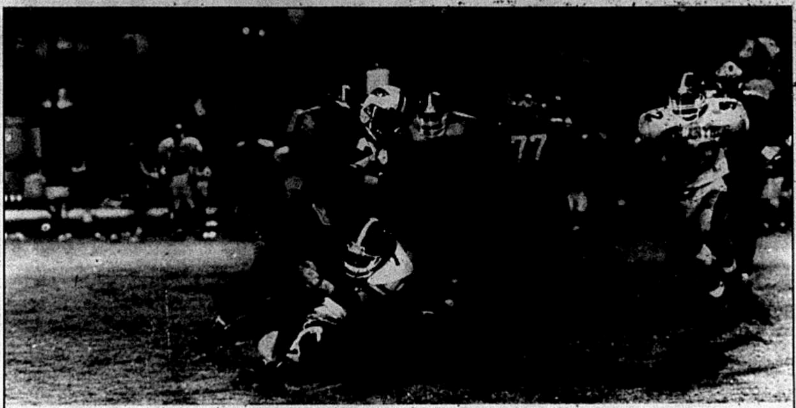

David Ranieri
Staff Reporter

Belle Glade- Glades Central running back Fred Taylor showed why he is one of Florida's finest high school football players against Jupiter in the Kickoff Classic.

The 6-1, 212 running back, who has received over 700 letters of interest and is rated by Blue Chip Report as the second best running back in the state, ran for 112 yards and two touchdowns in limited action.

Taylor and his Reider teammates wasted little time getting on the scoreboard by scoring on their first offensive series.

Junior quarterback JaJuan Seider handed off to Taylor, who rumbled 48 yards for the touchdown with 8:19 remaining in the first quarter. Seider added the extra point to give the Raider's a 7-0 lead.

All-Star...Fred Taylor is looking to improve on last year's statistics, when he ran for 1,087. Glades Central will play at Cardinal Newman, Friday night. Cardinal Newman was the only team to defeat the Raider's last season.

Taylor would strike again as he scored on a five yard run late in the first quarter to stretch the Raider's lead to 13-0.

"He plays to expectations," said Glades Central head coach Rick Casko of Taylor." He's a treat to score everytime he touches the ball and plays extremely hard."

The 75 yard drive was highlighted by Seider's bomb to senior wide receiver Reidel Anthony that helped set up Taylor score. Seider missed the PAT.

The game was shaping up to be a laugher, but the Warriors dug in.

David Runner, Jupiter's top running back, who rushed for 71 yards, scored early in the second quarter. Steve Manganiello's extra point pulled Jupiter to 13-7 of Glades Central.

But the Warriors could not contain the Raider's ground game in the first half.

This time it was junior running back Marcus Bowie turn to show his stuff. Bowie who finished the night with 63 yards on only four carries scored Glades Central's third touchdown of the half. Cornelius Ward's extra point was blocked and the Raider's led 19-7.

Jupiter would get on the board again before halftime on a field goal with time running out to pull the Warriors to 19-10.

In the third quarter, Glades Central was able to move the ball effectively against Jupiter, but were plagued by penalties.

Andre Tommie touchdown pass to wide receiver Demale Stanley was called back because of illegal motion and Reidel Anthony's 29 yard touchdown pass to senior Charles Daniel's was wiped away due to on a holding call.

The Warriors continued to chip away at the Raider's lead.

Steve Manganiello's field goal late in the forth pulled Jupiter to within six points, 19-13.

Jupiter would attempt an onside kick and the Glades Central's Nathaniel Freedman recovered the ball on the 49 yard line.

But the game was far from over.

Taylor's fumble in closing seconds was scooped up by defensive tackle Alan Witt before being tackled at the Raider's 30 yard line.

The Warriors were able to get to the Raider's five yard line on a pass interference call on defensive back Maurice Pettway.

Glades Central's defense was ready to answer the challenge.

With time running out quarterback John Lynch was unable to find a receiver down field and rolled left and out of the pocket. Senior outside linebacker James Bennett crushed Lynch and ended the Warriors hopes as Glades Central held on to win a thriller 19-13.

The Raiders finished the game with 272 yards in total offense, 206 of which were on the ground.

Glades Central had 15 penalties for 141 yards, something Rick Casko said they would work on Monday.

Glades Central will open their regular season at Cardinal Newman Friday at 8p.m. The Raiders will be looking to avenge last year's loss to Cardinal Newman.

Glades Day Gators Triumph over Terriers

Compiled from staff reports

Belle Glade- Glades Day defeated arch-rival Moore Haven 12-0 Friday evening.

Junior running back Patrick Whitehead led the way for Glades Day. Whitehead ran for 82 yards on 11 carries and two touchdowns.

"He did a good job running the football," Gators Head Coach Mandy Perez said. "Any time you carry the football as few times as he did and average over seven yards a carry you have to be happy."

Glades Day's finished the game with 154 yards on 24 carries on the ground, in one half of football.

Senior quarterback Graham Chancey was 3 for 5, 43 yards.

The Gators were led defensively by senior linebacker Ryan Courson with seven tackles and three assists. Sophomore strong safety Wren Sloan finished the game with 5 tackles and two assists.

"Defensively we had a great game, the stats will bear that out" said Perez. "Offensively we were sluggish and we will work harder to improve."

Glades Day will play at John Carroll Friday evening at 7:30. The Gators will be looking to avenge last year's 20-18 loss. They will also have to stop sophomore running back Garody McDavid who ran for over 100 yards last year against them.

Crusader's - Bubba Wilson ran for 44 yards..........

Christian Day was shut out by Jacksonville-Trinity Christian 26-0 at the FHSAA Kickoff Classic Friday night.

Running back Bubba Wilson was the lone bright spot for the Crusaders. Wilson ran for 44 yards on 13 carries.

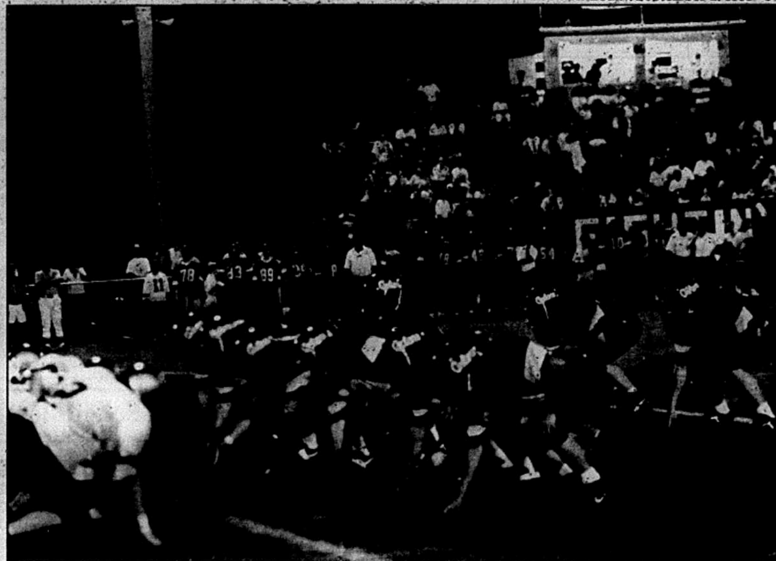

Christian Day Crusaders only have 16 players on their roster so far this year, but they are still determined to get out there and play the best game that they can, said one Crusader fan.

Last year the Crusaders finished the year with a 2-8 record, they are looking to improve that this year

Christian Day will play at Zion Lutheran Friday at 4p.m.

Pahokee football player...Tyrone Dunnaway (left) and the rest of the team prepare to board the bus for their game against Vero Beach. Pahokee lost the game to Vero 35-6. The team will open their regular season at Palm Beach Gardens Friday at 7:30 p.m.

Gator's offense prepares to score one of the two touchdowns scored in Friday night's game against Moore Haven Treriers.

Christian Day 7-1A

Coach: Scott Wilson
1992 Record: 2-8
Key players: Jose Bentacourt (OT/DT), Chris Outz (OG), Gus Peavy (QB), Daniel Rose (QB), Bubba Wilson (RB)
Outlook: Benatcourt, who is six-foot-five, 300 pounds is big enough to open holes for the running backs. But the problem is a lack of speed in the backfield- none of the starters run the 40 under 4.9 seconds. Depth is a big concern because only 16 players are on the roster.

Glades Central 14-3A

Coach: Rick Casko
1992 Record: 9-1
Key Players: Fred Taylor (RB), Reidel Anthony (WR/DB), Johnny Rutledge (LB), Robert Rewkirk (DL\OL), Patrick Thomas (C\DL), Charles Daniels (DB/LB), James Bennett (OLB)
Outlook: The Raiders are looking to improve on last years record. The Raiders have many starters returning from the 1992 squad, but many are still are still underclassman Senior Fred Taylor, one of the bestrunning backs in the state will provide leadership for the Raider's.

Glades Day 7-1A

Coach: Mandy Perez
1992 record: 5-5
Key Players: Graham Chancey (QB/DB), Ryan Courson (TE\LB), Wren Sloan (RB\SS), Patrick Whitehead (RB/LB), Jeff Goodale (RB/DB), Danny Scott (RB/LB)
Outlook: The Gators are looking to go all the way to the state championship this year. Running back Patrick Whitehead is looking to gain 1000 yards this year, along with Danny Scott. Their defense has already recorded one shut out against arch rival Moore Haven in their jamboree.

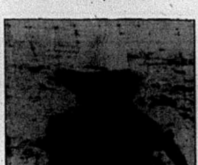

Pahokee 7-2A

Coach: Mark Kaczanowicz
1992 Record: 6-6
Key players: Tyrone Richardson (QB), Orson Walkes (RB/DT), Marvin Coley (TE/DE), Tyrone Smith (WR/DB), Andre Taylor (TB).
Outlook: Four starters return to the offensive line, but injuries to two defensive players during the summer leaves the defense weak, Kaczanowicz said. With only 25 varsity players on the roster, staying injury-free is the key to a successful season.

Crusader's J.V. team will go head to head with American Heritage on Sept. 9

Paula Burkett
Staff Reporter

David Rimes has been appointed head coach for the J.V. team at Christian Day, and is looking forward to a winning season this year.

Coach Rimes said, about half of the team are returnees and the other half new players and he is very optimistic about coming out a winner this year.

Assistance coaches Mike Cunningham and Dickie Snow are going to be big assets, said coach Rimes.

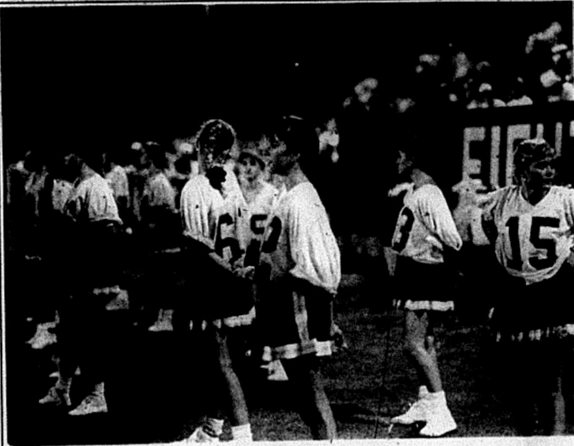

Our first game will be Sept. 9, against American Heritage, we will be ready to play the best game that we can.

Win or loose we will grow from our knowledge of what we did wrong and work on our weak areas.

Some of the players we will be watching for outstanding performances this year are: Johnathan Brown, Jason Cunningham and Mathew Snow.

We have 17 players on the roster, and they are all outstanding guys.

Win or loose, as long as the team learns something about the game and team sports we will be happy, as the old saying goes it's not if you win or loose but how you play the game that counts.

2 bits - 4 bits - 6 bits a dollar these cheerleaders sure can holler! And that's just what they did Friday night as they cheered their team to victory.
